The Character I like

Today I will tell you about my favourite character, Geronimo Stilton. He runs the Rodent's Gazette, the most famous newspaper on Mouse Island. He is a brainy mouse who likes to write about his fabulous adventures. I like him because he is funny. Every time I read his book, I can find what funny things he does.

My favourite book of Geronimo Stilton series is The Kingdom of Fantasy because I think this book is full of magical and interesting events.

School Open Day

Today is Saturday. It is our School Open Day. I go to school with my mum on foot.

I can see many beautiful flowers and plants in the farm. I buy some fresh vegetables there. I think they are yummy. I also play some games with my classmates. It is fun.

Then I play on an elastic bed in the playground. I jump on it. I am excited. After that, I look at some good work done by my classmates. There are writings, drawings and crafts. They are creative and beautiful.

I am very happy on School Open Day.

Open Day

My school Open Day was on the 13th January, 2018. On my School Open Day, we played in different game booths. My favourite game booth is 'Throw the Rainbow'. I bought some books, some balloons and some souvenirs too.

There were different subject exhibitions such as Chinese, English, Mathematics, General Studies, Computer Studies and Physical Education exhibitions. I could look at the displays and play some games too.

There was a drama on that day. All the actors and actresses were our schoolmates. It was a good show. I liked to watch it. Our Open Day was full of fun!
